The Jewish Communal Fund facilitates and promotes charitable giving through donor-advised funds. Our donors recommend grants to sectarian and nonsectarian organizations, including those that respond to needs in health, education, social services, the environment, religion and the arts.

We enable individuals and families to achieve their philanthropic goals simply and efficiently, with flexibility, full confidentiality and maximum choice.

In the Jewish tradition of *tikkun olam*—repairing the world—it is our hope that together we can make a profound difference.

*Dear Friends:*

Once again, our year-end numbers only confirm what JCF's trustees and staff have long known: our donors are unparalleled in their commitment to making the world a better place for men, women and children—in the United States, Israel and throughout the globe.

**I**ndeed, thanks to your generosity, JCF enjoyed an extraordinary year—and in many ways. Contributions totaled an unprecedented \$247 million, while JCF distributed a record-breaking \$200 million in grants, or 29 percent of our assets, to more than 5,000 charitable organizations. We at JCF—our trustees and staff—are humbled and gratified by the role we play in facilitating your profound dedication to philanthropy.

JCF also continued to benefit from our trustees' vision and leadership. With our Strategic Plan completed this year, a number of exciting initiatives will offer donors—within three to five years—a myriad of new ways to make a difference in causes and concerns that touch and inspire them and their families.

To that end, we have reduced the minimum for starting a Children's Giving Fund to \$1,800. Other lifecycle funds, such as wedding and memorial funds, can now be established with a minimum contribution of \$5,000.

Increasingly, families are celebrating their most joyous milestones with these special funds. On the occasion of their children and grandchildren's Bar and Bat Mitzvah, a number of our donors have created Bar and Bat Mitzvah Giving Funds to cultivate within the next generation a commitment to *tikkun olam*, or repairing the world. In addition, several newlyweds have embarked upon their new life together by establishing a philanthropic fund to support their shared, charitable interests.

This year, Barbara and Donald Jonas, who have been JCF donors for 20 years, took a most creative approach to expressing their mutual commitment to philanthropy. Last May, Christie's auctioned their magnificent collection of post-war and contemporary art and the proceeds were deposited into the Barbara and Donald Jonas Philanthropic Fund. Their gift, which was unique in both the philanthropic and art worlds, underscored their desire to continue to experience the joy of giving during their lifetime. In making this exceptional gift, they also hope to inspire others to follow in a similar vein.

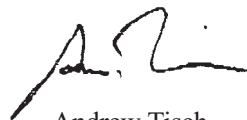

Clearly, our donors not only understand the great needs that exist locally and globally but address them. With their compassion and generosity, they have made my two-year term as JCF's President a most gratifying experience.

As I reflect on my 10-year term, which ended last May, I must also express my utmost appreciation to our Board of Trustees, an extremely dedicated and insightful group of individuals, and to our professional staff, whose own diligence, concern and commitment are boundless. We, as an organization, are truly blessed.

I am confident that my successor, Harold Handler, will find the JCF presidency to be equally satisfying. Harold's professional experience and talents—as well as personal commitment to philanthropy—will benefit JCF greatly. He is a retired partner at Simpson Thacher & Bartlett and former chair of the New York State Bar Association's Tax Section. For the past seven years, Harold has been on the JCF Board of Trustees and, for the past two years, he has served as Chair of the Executive Committee. A visible, active leader in Jewish communal life, Harold serves on the Executive Committee and Board of the Jewish Community Center in Manhattan, where he was President for nine years. In addition, he is on the Board of the Plaza Jewish Community Chapel and a member of the Board of UJA-Federation of New York. Under Harold's very capable leadership, JCF will continue to grow and flourish, and I wish him much success in the years ahead.

In passing the mantle of leadership to Harold, I am forever grateful to have had the privilege of serving JCF—an organization whose donors, each and every day, repair, strengthen and enrich lives.

In friendship,

Andrew Tisch

# Overview

## DONOR CONTRIBUTIONS

An initial tax-deductible contribution of \$10,000 or more in cash and/or marketable securities is required to establish a donor-advised fund. A Children’s Giving Fund may be established with a gift of \$1,800. Memorial Funds and Wedding Funds may be established with a gift of \$5,000. A donor may make additional contributions to the fund at any time in any amount. Contributions may be made by friends, family, private foundations, and corporations, or in conjunction with assorted estate planning tools such as Charitable Remainder Trusts, Charitable Lead Trusts, bequests and/or retirement plan assets.

## GRANT MAKING

Donors at the Jewish Communal Fund enjoy the privilege of recommending distribution of principal and income of the assets in their fund to sectarian and nonsectarian institutions that are recognized by the IRS as tax-exempt, publicly supported charities. All grants are for charitable purposes. Donors also have the opportunity to extend this privilege to others whom they so designate. All recommendations are subject to evaluation by our staff for adherence to the guidelines outlined in the program description. We consider donor recommendations to be of profound importance and therefore, give them careful consideration and respect in our grant determinations.

## FEES AND EXPENSES

Each fund is assessed a monthly fee for services based on the average daily net asset balance. The sliding fee schedule, per annum, operates as follows:

- 3/4 of 1% for the first \$5,000,000
- 1/2 of 1% for the next \$15,000,000 of related net asset balances
- 1/4 of 1% for any amounts above \$20,000,000
- Funds with net assets below \$20,000 will be charged \$12.50 monthly, based on an annual minimum fee of \$150.

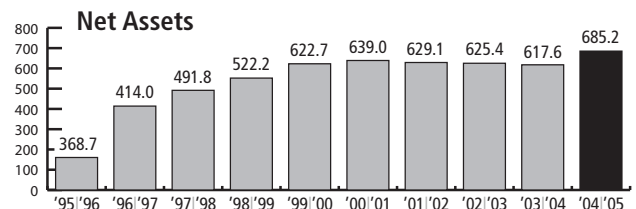

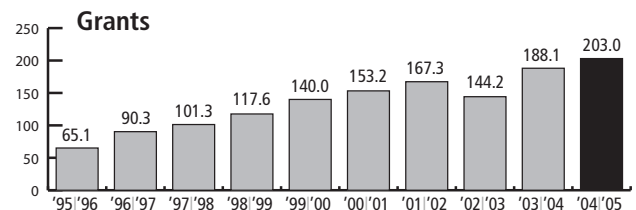

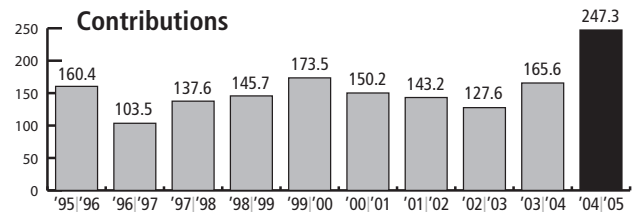

In addition, funds are subject to commissions and fees incurred in connection with the sale of contributed property, as well as management expenses associated with each investment portfolio.

## INVESTMENTS

The Investment Committee of the Jewish Communal Fund periodically reviews investments and establishes investment policies. These policies are designed to:

- (1) ensure that donor contributions and fund assets are continuously invested;
- (2) maximize investment returns in relation to risk;
- (3) maintain varied investment alternatives that are suitable for various philanthropic plans;
- (4) ensure that operating expenses are minimal and competitive;
- (5) ensure that funds are readily available for grant making.

When a donor-advised fund is established, the first \$10,000 (or such lesser amount for funds with a lower threshold) is invested in the JCF Fixed Income Fund and/or TempFund, managed by BlackRock. Donors may request to have the proceeds in excess of the first \$10,000 invested in our investment alternatives, subject to the minimums required for each alternative. Donors may exercise this privilege each time a contribution is made and may recommend a reallocation of the assets in the fund four times each calendar year.

## *Report of Independent Auditors*

### **To the Board of Trustees of the Jewish Communal Fund**

In our opinion, the accompanying consolidated statements of financial position and the related consolidated statements of activities and cash flows present fairly, in all material respects, the financial position of Jewish Communal Fund ("JCF") at June 30, 2005 and 2004, and the changes in their net assets and their cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America. These financial statements are the responsibility of JCF's management; our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audits of these statements in accordance with auditing standards generally accepted in the United States of America, which require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

# *Notes to Consolidated Financial Statements*

Years Ended June 30, 2005 and 2004

## **1. Organization and Business**

Jewish Communal Fund (“JCF”) was organized in 1972 under the not-for-profit corporation law of the State of New York and is exempt from Federal income taxes. JCF qualifies as a tax-exempt organization, pursuant to Section 501(c)(3) of the Internal Revenue Code (the “Code”), and is classified as an organization that is not a private foundation, but is a publicly supported charity under Section (509)(a)(1) and 170(b)(1)(A)(vi) of the Code. Donors are entitled to the maximum income tax benefits permitted under present Federal laws.

JCF is the sole member of Jewish Communal Fund Holdings LLC (the “LLC”). The LLC is a not-for-profit corporation organized on September 14, 2001. The LLC was established to hold certain donations from time to time as JCF deems necessary. As of June 30, 2005 the LLC had \$291,220 net assets. JCF controls the LLC and therefore consolidates its results with the LLC.

JCF extends to donors or their successors the privilege of recommending grants from their funds to the qualified charities of their choice.

## **2. Summary of Significant Accounting Policies**

### **Basis of Presentation**

The consolidated financial statements have been prepared on an accrual basis in accordance with accounting principles generally accepted in the United States of America. All appropriate elimination entries have been reflected in the accompanying consolidated financial statements.

### **Net Asset Classifications**

Net assets, revenue, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

**Permanently Restricted Net Assets** – Net assets subject to donor-imposed restrictions which stipulate that they be maintained permanently by JCF.

**Temporarily Restricted Net Assets** – Net assets subject to donor-imposed restrictions that may or will be met by actions of JCF or that expire by the passage of time.

**Unrestricted Net Assets** – Net assets that are not subject to donor-imposed restrictions.

JCF did not have permanently or temporarily restricted net assets as of or for the years ended June 30, 2005 and 2004.

JCF has established four distinct types of unrestricted philanthropic funds:

- Undesignated Funds, where the privilege of grant recommendation is given to the donor (and his or her designees) and the distribution of principal and income is governed by JCF grant guidelines. Grant making is subject to the approval of the Board of Trustees and the Charitable Distribution Committee.
- Designated Funds, where the beneficiaries and the schedule of distributions are established at the time of gift and are approved by the Charitable Distribution Committee before JCF accepts the gift.

## Notes to Consolidated Financial Statements

Years Ended June 30, 2005 and 2004

- Semi-designated Funds, where the field of grant is limited to one or more functional areas and places the responsibility on JCF (through its Board of Trustees or Charitable Distribution Committee) for designating the specific grant beneficiaries and scheduling such grants.
- Endowment Funds, where the Board of Trustees and Special Gifts Fund Committee have the responsibility of grant making. The income and principal have been authorized by JCF to be available to meet the needs of the Jewish community, at home and abroad, at the recommendation of UJA-Federation of New York and upon the approval of the Board of Trustees.

Unrestricted net assets are as follows:

	<b>June 30,</b>	
	<b>2005</b>	<b>2004</b>
Undesignated	\$ 666,244,325	\$ 601,159,872
Designated and semi-designated	2,164,435	2,101,914
Endowment	16,760,146	14,348,345
Unrestricted net assets	<u>\$ 685,168,906</u>	<u>\$ 617,610,131</u>

### Support and Revenue

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulations or law. Expenses are reported as decreases in unrestricted net assets. Contributions with donor-imposed restrictions, such as time or purpose restrictions, are recorded as temporarily restricted net assets. When donor-imposed time restrictions expire, or a donor-imposed purpose restriction is fulfilled, the temporarily restricted net assets are released to unrestricted net assets. These satisfactions of donor-imposed restrictions are reported as net assets released from restrictions. JCF did not have net assets released from restrictions for the years ended June 30, 2005 and 2004.

During the years ended June 30, 2005 and 2004, JCF received contributed securities of \$171,374,191 and \$101,774,661, respectively. Of the securities that JCF received from current and prior years, \$172,032,211 and \$101,306,479 was received from the sale of these securities for the years ended June 30, 2005 and 2004, respectively.

### Cash and Cash Equivalents

Cash and cash equivalents primarily include money market funds at certain financial institutions, with the exception of money market funds held for investment purposes. JCF considers all highly liquid financial instruments with an original maturity of three months or less to be cash equivalents.

### Investment and Valuation Policies

Investments in equity securities and publicly traded mutual funds with readily determinable fair values and all debt securities are stated at their quoted market prices, published unit values, or at the present value of expected future cash flows, with the change in unrealized appreciation (depreciation) included in the consolidated statements of activities. With respect to equity securities received from donors which are either (a) not readily marketable, (b) securities of private companies, or (c) securities of companies in liquidation and similar type assets, JCF's policy is to

*Notes to Consolidated Financial Statements*  
 Years Ended June 30, 2005 and 2004

record such items at a nominal value in the absence of readily determinable fair values, although such assets may have significant future value.

Investment transactions are recorded on a trade date basis. Realized gains or losses on investments are determined by comparison of the average cost of acquisition to proceeds at the time of disposal. Dividends and interest are recognized when earned.

**Contributions**

Contributions of cash, securities, and other assets are recorded at their respective fair values when received unconditionally.

**Grants**

Grants are recorded as an expense when they become unconditional promises to give by JCF based on guidelines promulgated by the Board of Trustees. Multi-year grants that are payable beyond one year from the statement of financial position date are discounted at a risk-free rate. That discount is amortized over the life of the grant in the periods in which the obligation comes due.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying notes. Actual results could differ from those estimates.

(10)

**3. Investments**

JCF has certain funds invested in a fixed income portfolio consisting of U.S. Treasury and U.S. Agency Securities (“JCF Fixed Income Fund”). The portfolio may invest in U.S. Treasury and Agency Securities, Asset-backed Securities (ABS) and Commercial Mortgage-backed Securities (CMBS). The total allocation to Non-U.S. Treasuries may not exceed 49% of the total market value of the portfolio. A maximum of 15% of the portfolio may be invested in ABS and CMBS. The remaining effective maturity of any individual security may not exceed 5 years and the average effective maturity of the portfolio may not exceed three years. This is in accordance with the codification of investment policy approved by the Investment Committee, as of June 30, 2005.

JCF’s investments are as follows:

*Notes to Consolidated Financial Statements*

Years Ended June 30, 2005 and 2004

**4. Related Party**

United Jewish Appeal Federation of Jewish Philanthropies of New York, Inc. (“UJA”) is a related entity of JCF as UJA is the sole member of JCF. UJA processes payroll and provides insurance coverage to JCF. During fiscal year 2004, JCF rented office space from UJA. The lease with UJA expired on March 15, 2004. JCF reimbursed UJA \$1,141,176 and \$1,158,889 in fiscal year 2005 and 2004, respectively. JCF awarded grants totaling \$16,489,722 to UJA for the year ended June 30, 2005, of which \$2,000,000 was from JCF’s operating fund and \$14,489,722 was from donor-advised funds. During the year ended June 30, 2004, JCF awarded grants to UJA totaling \$18,215,949, of which \$2,200,000 was from the operating fund, \$1,000,000 was from the Special Gifts Fund and \$15,015,949 was from donor-advised funds.

**5. Pension Plans**

JCF employees can participate in two retirement plans. The first plan is a tax-sheltered annuity plan, or 403(b) plan, in which employees make contributions to their individual accounts every pay period. JCF does not hold the assets or make contributions to this plan.

The second plan is referred to as the Retirement Plan for Employees of United Jewish Appeal-Federation of Jewish Philanthropies of New York, Inc. and Affiliated Institutions and Agencies (the Plan). The Plan is a defined benefit pension plan covering eligible employees of the Jewish Communal Fund. Eligible employees participate automatically on a noncontributory basis. Employees are fully vested after five years of service. The Plan is subject to the provision of the Employment Retirement Income and Security Act of 1974 (ERISA). The Plan is administered by UJA. During fiscal years 2005 and 2004 JCF incurred expense of \$34,530 and \$31,443, respectively, related to contributions to the Plan.

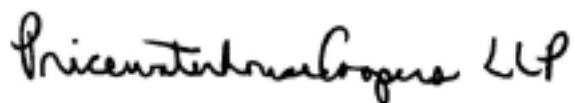

(11)

**6. Lease Commitments**

JCF leases its office space for its headquarters for a term of ten years and one month. The lease commenced on February 1, 2004 and will continue through February 28, 2014. The annual rental rate is \$195,002 for the period of February 1, 2004 through February 28, 2009 and increasing to an annual rental rate of \$204,608 for the period of March 1, 2009 through February 28, 2014, the expiration date of the lease.

## *Report of Independent Auditors on Supplemental Schedules*

Our audit was conducted for the purpose of forming an opinion on the basic consolidated financial statements taken as a whole. The supplemental summary schedule of grants made to various philanthropic institutions and schedule of grants made to various philanthropic institutions for the year ended June 30, 2005 are presented for purposes of additional analysis and are not a required part of the basic consolidated financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic consolidated financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic consolidated financial statements taken as a whole.
