Notes:

- Performance figures are net of related management fees and do not include the Jewish Communal Fund's administrative fees.
- The aggregate asset allocation represents the distribution of investments among these 21 investment options. As of July 31, 2010, 19% of JCF's assets were invested in other privately managed accounts that require a minimum investment of \$1MM. These accounts are not listed in this chart.
- Each fund has a benchmark to help gauge performance. Contact the respective manager for their benchmark.
- Categories for mutual funds are based on equity styles determined by Morningstar, Inc.
- The above performance estimates are based on estimates received from administrators and managers and are subject to change. Manager performance information was obtained from sources believed to be reliable; however, no assurance of its completeness or accuracy can be made. Past results are not necessarily indicative of future results.

** Represents Composite Performance for the organization.
